It is very cold and blustery this January day in Chautauqua County so it is unlikely that you will be pulled from class this Saturday to collect sap. I have much more I would like to share with you my fellow bucket turners. I'm grateful to Brother Stephen for his initiatives and hope that many will contribute to this site and help fill the void I suspect many of us feel.

I am Joe McMaster '67 and i deeply regret I have not kept in contact with anyone. I live with my wife and child on a grape farm on the shores of Lake Erie, 6 miles from Cassadaga. Should anyone need to make a pilgrimage to OLLO now the job Corps Center please contact me.
