Michael Bunyar thanks for the September 2005 Reunion in Boston at Assumption Center.

Congratulations on a terrific job of putting together a very good representation of the afternoon we had on Sunday at your place.

The choice, etc. of pix really showed what the afternoon felt like, e.g., a get together of good friends after a long absence. You have a talented team.

At the same time, Stephen, I'd like to thank you and the team for the wonderful afternoon. Everything about it -- the location, the preparations, the food and drink, the ambiance, etc. --

was really top notch and conducive to a very special reunion. Thank you for all the efforts you and your team put into it.

Michael
