Stephen,
Thanks to you and Tomas and the others for inviting us and being such great hosts. My only regret it that the reunion didn't go on longer. I though you might like to see the attached. Thanks again.
Matt

Comments:

What a great idea (and execution) to match the "then and now". From comments, it would appear that we as a group are pleased with the reunion.

We haven't however heard from those whose teaching, example, and chosen lifestyle we gathered to imitate in Cassadaga 40 years ago. What do they think, e.g., Fr. Robert, Fr.

Camillus, Bro. Stephen, and others?
