Merci beaucoups, gratias, Deo Gratias Allelulia! Thank you to everyone who worked to make the day possible. Thank you to all who attended. Thank you to all who could not be there but sent their prayers and spirit. 42 years ago as a not quite 18 year old when I left Our Lady of Lourdes I had no idea what I was taking with me. God worked many wonders on those hilly, wooded, snowy acres above the Cassadaga Lakes.

I wonder if the state is ready to sell them again, we could make a very spiritual retirement, assisted living community out of the site.
