Taizé: A New Form of Consecrated Life

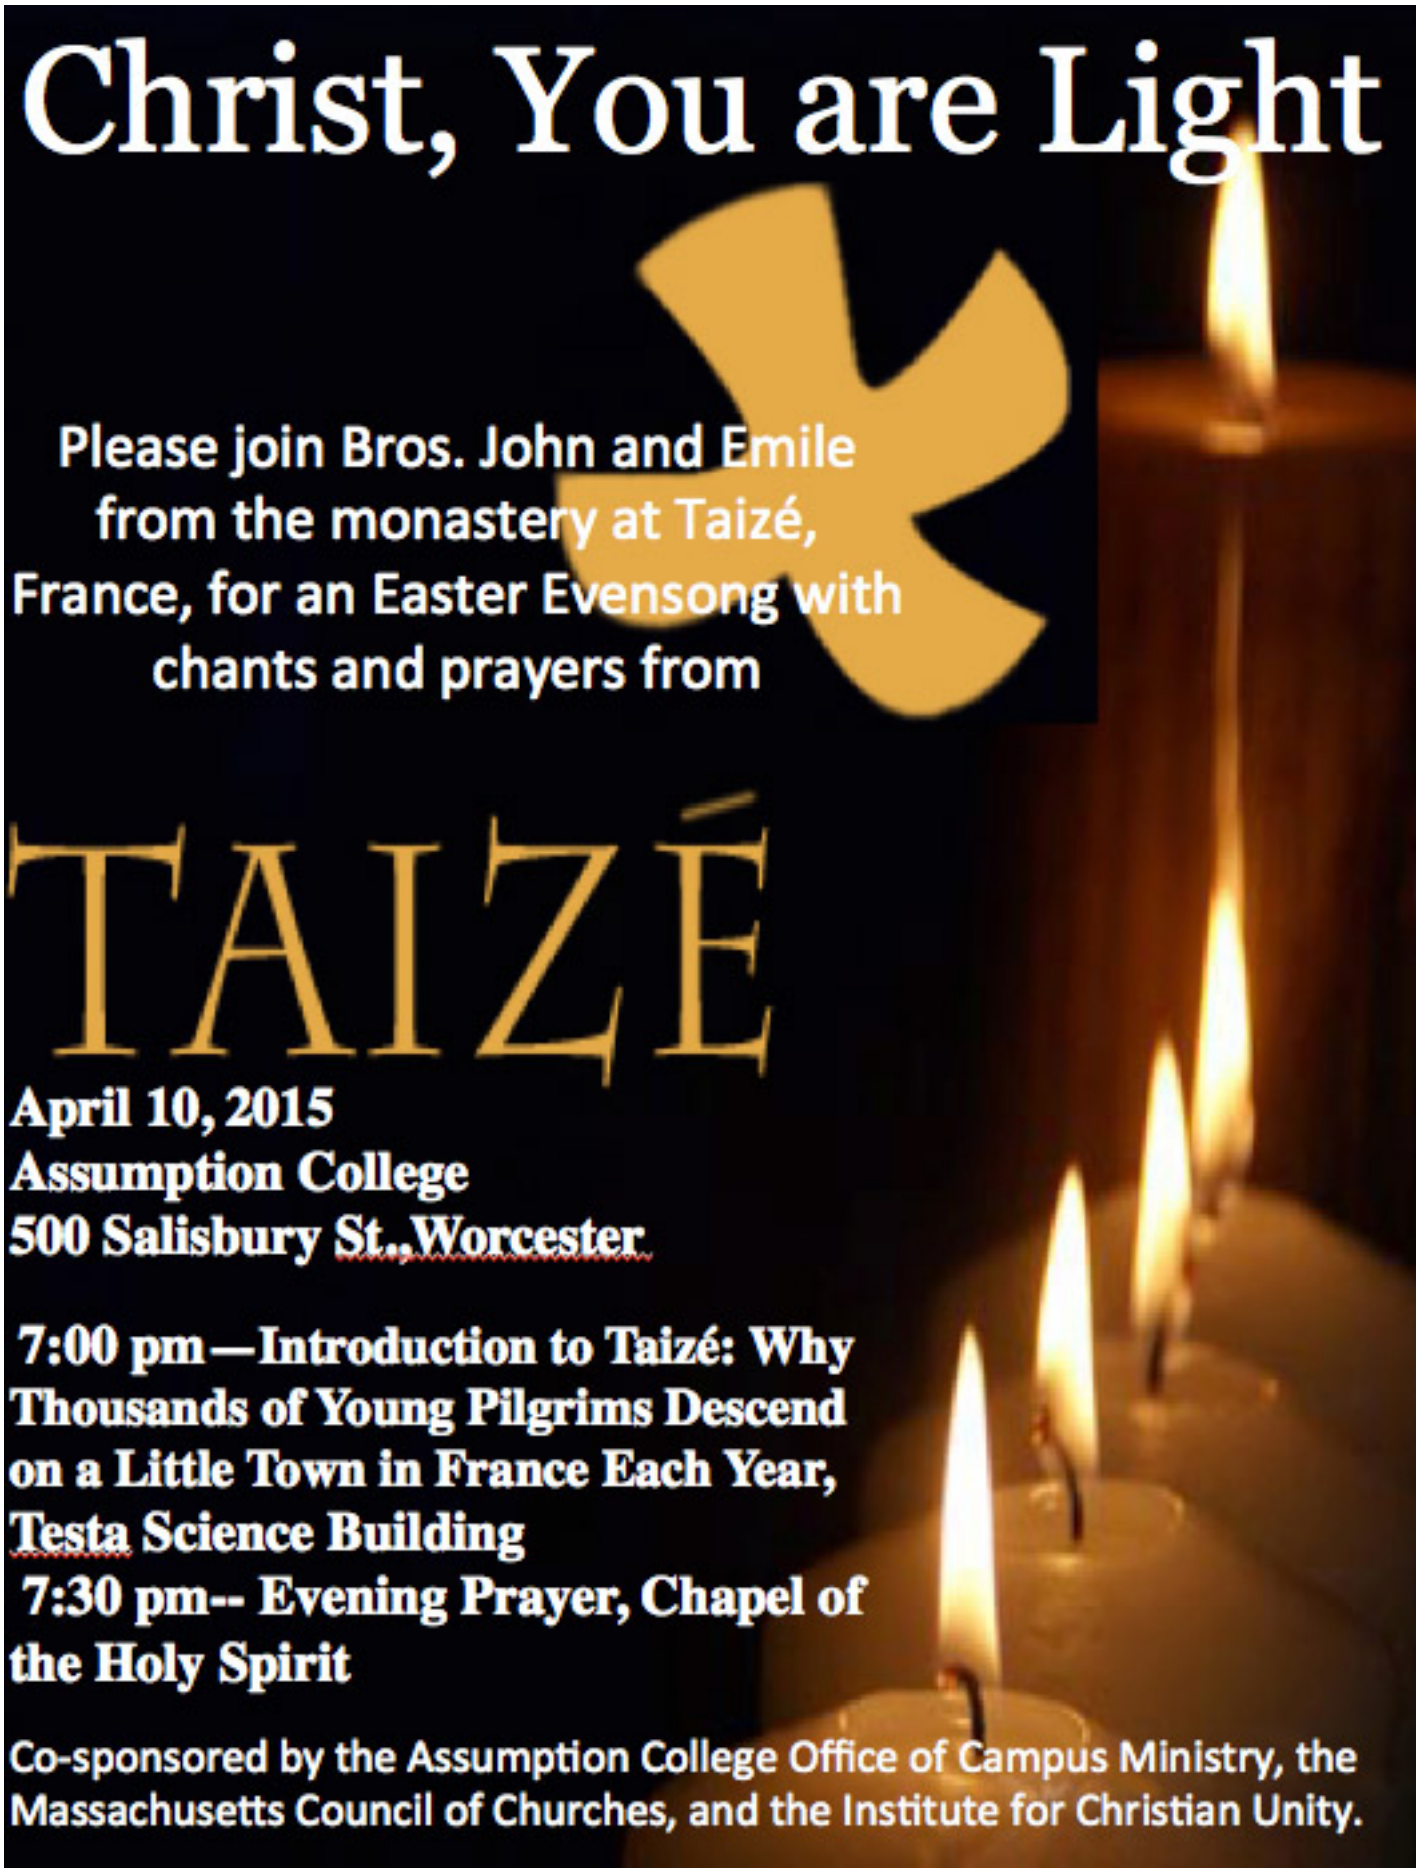

In honor of the Year of Consecrated Life, the **Assumptionist Center** is hosting conversations this semester around the distinct forms and traditions of consecrated life in the Catholic Church.

At this conversation, we are delighted to welcome **Brother John of Taizé**, who will visit us from France to talk about the life and mission of his world-famous ecumenical community well known for its music and outreach to young people.

All are welcome. Come, listen, and share!
