

The Assumptionist Center in Brighton was the orientation site of its six new residents with one more expected to join the community in October.

After the Sunday liturgy, celebrated by Fr. Claude Grenache, A.A., Local Superior, each new member was welcomed and blessed (left to right - Yves Olinger, Fr. John Cervini, Cedric Dussert, Andrew Mercado, Kyle Herrington and John Monaco.) They then joined the returning residents, staff and Assumptionist members to review the vision and purpose of the house; that is a community where its members discern their ministry as laymen as to what it means to be church through prayer and study in a Christian environment rooted in the spirit of St. Augustine.

This was followed by the sharing of information, expectations, house traditions, upcoming events and programs which contribute to the smooth experience and enjoyment of living in a large community.

After a few questions and answers, everyone shared a buffet lunch of make-your-own-sandwich and more lively discussions.
