THE ASSUMPTIONIST CENTER ...

a place where we learn together,
a place where we discover what it means ***to be Church***.

In order to help that happen, we need to think and talk together.
And so, we are happy to announce this semester's

CONVERSATIONS AT THE CENTER
on SUNDAY, February 5

Encountering Immigrants as our Siblings in Christ

Immigration is a hot-button issue both globally and nationally. Within the US, there has been much gnawing anxiety around the plight of immigrants under Trump's presidency. What ought to be the response of the Church in general, and US Catholics in particular?

To kick-start this important conversation, we are grateful to have Danielle Huntley share her work with immigrants through the dual lens of being a professional lawyer and as a Catholic. A member of the Assumptionist Lay Alliance, Danielle is the Principal of Huntley Inc., a full service immigration law firm.
