College to Bestow Honorary Doctorates Upon Founder of Worcester Regional Research Bureau,
Exec. Dir. of Catholic African-American Scholarship Organization During May 14 Ceremony

WORCESTER, MA (March 13, 2017) — This spring, Assumption College will celebrate its centennial commencement, an event that has evolved and grown tremendously, from two graduates in the Class of 1917 to nearly 700 in the Class of 2017 who will receive either an associate's, bachelor's or master's degree or certificate of advanced graduate study. While much has changed since that inaugural ceremony, the College's commitment to educating students in the Catholic tradition has endured.
