THE ASSUMPTIONIST CENTER ...

a place where we learn together,
a place where we discover what it means ***to be Church***.

In order to help that happen, we need to think and talk together.
And so, we are happy to announce this month's

CONVERSATIONS AT THE CENTER
on SUNDAY, April 2

Social Media:
An Opportunity for or Threat to Christian Witness?

At this conversation, we are grateful to have Mr. Terence Hegarty and Mr. Jaime Gil share their perspectives on the use of communication technologies for evangelization in the digital age.

Terence Hegarty is editor of *Living Faith* magazine. With more than 500,000 copies distributed on a quarterly basis, Living Faith is the largest Catholic devotional in the world. He also writes and edits seasonal and liturgical materials for parish use. Terence has worked for Bayard, Inc. (the publishing arm of the Assumptionists) since 2015.

Jaime Gil is currently completing his MA in Theology and Ministry at the STM, Boston College. Before his studies, he served in different parish ministries - as Pastor Associate in Idaho, Director of Hispanic ministries, and in diocesan catechetical work. Jaime has recently initiated a Facebook project to connect youth in Boston and Mexico.
