

Tuesday, July 4th, saw the gathering of many of the Aussumpion Family religious and lay members, (ranging from 2 mos. to 101 years,) in our backyard at the Assumptionist Center in Brighton. I think that it would represent 5 generations! In coming together, it gave us the honor of officially welcoming Fr. Dennis Gallagher, A.A. as our new Provincial and thanking Fr. Miguel Diaz, as our former Provincial. I addition, we remembered Fr. Claude Grenache, A.A. who began this noteworthy event and for whom we hope to carry on this tradition.

Thanks to Michelle's expert cuisine no body went home hungry!
