On Wednesday night July 12th, 2017, the staff of the Center and the community celebrated more than 50 years of faithful service of the more than 20 priests who have traveled far and wide on behalf Mission-Co-Op. The celebration took place at Volturno's Restaurant in Worcester. During the delicious dinner, the folks shared many stories and experiences in visiting parishes around the country, A map of the U.S. was mounted on a story board with push pins to note and indicate the location of parishes. This visual was very powerful. Fr. Alex, our provincial treasurer, echoed our warm welcome and gratitude! Many thanks to all!
