

Dear Assumptionist Fathers

My name is Jim Galligan, one of many friends of your brother priest Fr Jean Pierre who was kidnapped 5 years ago.

Fr Jean Pierre is a kind and loving priest who is missed by so many people in Dundee, Scotland

and he with Fr Anselme and Fr Edmond are always in our prayers.

We have offered a Mass each year for them and have already planned this years Mass in Saint Peter & Paul's Parish in Dundee with the main celebrant being Mgr Ken McCaffrey. We will be sending out the attached poster to all the parishes in our Diocese as we know Fe Jean Pierre touched the hearts of so many people during his six and a half years of service in Dundee.

We want to assure you that we will be united with you in our prayers at this time.

We understand there is still no news and all there has been is speculation of what may have happened to them. If there is any news or if you receive and letter from your provincial for their anniversary if you were able to forward this then we could relay it to those attending the Mass.

Be assured always of our prayers.

Jim Galligan
