

The leadership of Institut d'Alzon in Nimes (in particular Mrs. Virginie Cote, and Mr. Yvan Lachaud), the Oblates Sisters of the Assumption, and the Assumptionists extended a warm welcome to the group and were involved in all the visits of companies and tourist sites in the Nimes region as well as the visit to Le Vigan (where Father d'Alzon was born) and the Lavagnac Castle where he spent most of his childhood. We could not have such a successful trip without their help. Professor Eric Drouart - March 2019
