

The Assumptionist Center recently and proudly celebrated the graduation of several of its residents, mostly from Boston College. Receiving Masters of Theological Studies were Nick Munsen and Erwin Susanto. Receiving Masters of Theology were John Monaco, Raphael Yabut, Fr. Peter Omwoyo AA (pictured above) and Kyle Herrington, former resident. Receiving a Doctorate in Sacred Theology was Fr. Bernard Disco, OSB, also a former resident. From the New England Conservatory of Music, Matthew Thomson, our resident from down under, received his Master's in Music.
