

Fr. Fabien Diadia, A.A.

On Monday, July 1, the Assumptionist region of Kinshasa was honored to receive the visit of Lynne BROUILLETTE, a lay Assumptionist from the USA, responsible for the NGO known as « Kids in the Congo ». It was her first visit to the Kinshasa area. She was met at the N'djili international airport by Fathers Michael TSONGO, superior of the house of theology, a number of other Assumptionists stationed in Kinshasa, Zacharie WASUKUNDI who came from Kenya to serve as a translator, and Fabien DIADIA, director of the Emmanuel d'Alzon school complex in Bibwa.

In fact, for some years now, the Assumptionist region of Kinshasa has been collaborating with this lady through the intermediary of Fr. Luc MARTEL, at the time, director of the International Development Office of the Assumptionists, in view of supporting this school complex and its students. That is why she came to get a first-hand view of the realities of this newly built school, situated in the « suburbs » of Kinshasa, where the Assumptionists maintain this institution.
