

We ask for your prayers as Fr. Ronald Sibugan travels to El Paso, TX. Fr. Ron will be forming part of our new Assumptionist community, as we continue to discern our mission and explore how we can serve the material and spiritual needs along the U.S.- Mexico border.

"A vocation is a response to a call. It is neither the choice of a career nor some kind of professional training. It is the gift of our person so that the Lord may make of us what he desires. At the heart of this response which we give to the Lord, there is availability" - Fr. Benoît Grière, Superior General
