

"Service to the poor is an essential part of our “calling card” as Assumptionists. Our brothers and lay Assumptionists in Mexico have responded to that call in parish apostolates at Parroquia San Andres Totoltepec and Parroquia Santiago Apostol. Here in the States, since the closing of Guadalupe in the late 1990’s, we have looked for an opportunity for more hands-on ministry to those in need."

Our foundation in El Paso marks the beginning of a new chapter of our apostolic legacy of service to the poor and marginalized. We are grateful to God for this opportunity to minister to those in greatest need.

Please enjoy these photos of Assumptionist Hispanic ministry over the years - in New York and Mexico, from 1904 to today!
