

From Ron:

Yes. This is Fr. Peter's first time to be in Juarez.
The parishioners took us there. We visited 2 churches. San Lorenzo and Parroquia El Señor de la Misericordia
We also bought a paschal candle and paid by the 2 daughters or our parishioners
The parishioners who brought us there ware part of the volunteers of the parish called los campañeros.
They are very devoted, reliable, and dedicated. They do all kinds of work in the church
We drove there and walked back through the bridge.
