Campus Ministry

After a two year hiatus due to Covid-19, Campus Ministry is thrilled to announce that Assumption's popular SEND service/immersion trips are returning in Spring Break 2022. For years, Assumption students have traveled to various parts of the United States and to international sites to serve among the poor and needy, to develop relationships with those living in poverty, and to reflect on how this experience invites them to deepen their faith and consider how their lives can positively impact the poor among our sisters and brothers throughout the world. Many Assumption graduates regard their SEND trip as one of the most profound and transformative experiences of their time at Assumption.
