

During the Papal audience on Wednesday April 6, 2011, a large delegation from Bayard Press, the Assumptionist-owned publication house, lead by Father André Antoni, A.A., a member of the Board of Directors, came to Rome to present to the Pope a publication of Bayard called “Fiches Croire," a real tool for the new evangelization that is so close to the heart of the current Holy Father.

In the United States "Fiches Croire" are called **"Faith Matters"** and are published by Bayard, Inc. Currently there 12 versions available: "The Bible: A treasure trove waiting to be discovers;" "Why should I go to confessions?" "Depression... How can I overcome it?" "Divorced: How do you rebuild your life?" "The Eucharist: A great mystery!" "I've lost my faith..." "How do you read the gospels?" " Living through the ordeal of illness;" "Face to face with suicide;" "Who is Jesus?" "Why do evil and suffering Exist?" "When we're shaken by death."

We asked Father André to talk to us about the project and its implementation.
