

We hope you can join us as we welcome former pastor, Fr. Norman Meiklejohn, A.A., for the first event in our Year of Celebration and Thanksgiving for our 125th Anniversary of St. Anne and St. Patrick Parish. Fr. Norman will be speaking to us about the Augustinians of the Assumption - their history, their charism, and their service here at the Parish and Shrine.

Refreshments will be available following his presentation. Please plan to join us as we learn more about the community that has blessed us for more than 50 years and that helps make our Parish and Shrine the wonderful place that it is!
