

The Chapel of the Holy Spirit at Assumption College in Worcester was the scene of great joy and celebration on August 28th, the Feast of St. Augustine. For it was during the late afternoon celebration of Mass that Bro. Ronald Sibugan, A.A. renewed his vows, witnessed by Rev. Jose Miguel Diaz Ayllon, A.A., Provincial of North America and the Philippines, on behalf of the congregation and the Church.

Following the liturgy and during Evening Prayer, the Rite of Admission of the Novices took place during which time they received their habits and the Rule of Life. A reception followed in the new Tinsley Campus Ministry Center. May God's choicest blessings be upon the young men as they strive to follow God's call!
