

On October 13, 2012, as one of our many celebrations commemorating the 125th Anniversary of St. Anne & St. Patrick Parish and Shrine, the parents and children in our Religious Education program in grades K-5 were invited to take part in a" Scavenger Hunt" on the Shrine Grounds. Many of our children and their parents had never visited the Shrine grounds and we felt this was the perfect opportunity to "explore and discover" this very beautiful and holy place.

The parents, teachers and children met in St. Joachim Parish Center for a brief video presentation of the history of the parishes of St. Anne and St. Patrick and of St. Anne Shrine. They were then each given a "Passport" containing clues on each page which would guide them to different locations on the Shrine Grounds. Each page, along with the clues, contained one or two questions which they were to answer when they reached each destination. Once they answered correctly, our teenagers, who had volunteered to be at each "destination stamped their passport on the corresponding page, and sent them on their way to their next destination.
