

The Sixth Annual Assumption Day was held this month at Assumption College in Worcester, MA. This event was originally inspired by Dr. Francesco Cesareo, president of the college, in order to share Assumptionist spirituality with the entire college community.

This year's theme of Christian vocation as God's 'call to answer' to all the baptized was addressed by Sr. Nuala Cotter, R.A., Provincial Superior of the Religious of the Assumption and Michelle Sherman, M.A., Director of the Associate Missionaries of the Assumption (AMA) and Vocation Promoter for the Religious of the Assumption.
