

In the Spring 2013, Vol. 11, Issue 1 of "the assumptionist…" newsletter entitled "Where Are They Now…Ten Years Later," our hope was to provide an opportunity for more family sharing and dialogue between our readers and anyone who might be interested in reading and possibly connecting with Assumptionists from the past.

Some folks have been in touched with us and now we would like to share their responses with you.

"What a joy it was to see so many familiar faces on the inside of the newsletter. A number of them I immediately recognized. At this age, it's nice to see how many old acquaintances are still around. Please extend my best wishes to them."
Bob Vigeant

"Thanks for this issue of "the assumptionist." I enjoyed seeing who was where these days. Thank you for including my head in the background of the picture with Fr. Barry. It made me feel still part of the family."
Dave Gallo

"Your Assumptionist newsletter was most appreciated. It was like old home week. It was great to see where everyone is located. I guess what I want to say is that although we are much older and hopefully wiser, our Cassadaga experience and our connection to the Assumptionists remain quite strong in our life."
Ron Gaulin

“Just read your AA newsletter and loved it very much. Continue the good work and not hide the light under a bushel basket!!
