

Thanks everyone for a truly inspirational day. To Bro. Stephen, Thomas, and Thomas for organizing a truly memorable day. It was so great to reconnect with the most genuine friends that have ever accepted me as a peer. It was inspirational to be embraced by Fr. Camillus, my model of all that is good and genuine. Beyond words to be reunited with my closest friend ever, Ed. It was truly uplifting to reconnect with my former classmates, Harry, Roger, Kip, Ray, and Dick, a great group of friends. Many thanks to a great friend, Al Gaulin, for the effort to make it all possible for me. It was so great to see so many true friends, Milt, Bro. Phil, Bro. Thomas, Matt, Tom, Dave, Roger, and all I may have forgotten. 'til next year, I hope.
