

To our lay brothers and sisters in the Assumption

In a few days we will be committing ourselves as Lay Assumption of the French Province. We have edited a **“path of life”** to guide us in our life as baptized Christians. We are 20 who have journeyed for several years at the heart of the works of the Assumption and most of us in close link with a community.

The Engagement Ceremony will take place this coming **November 20 at Valpré** at the occasion of the closure of the Provincial Chapter. You can imagine that, as Fr. Benoît Grière, our Provincial says, “This commitment is not insignificant. It involves the Province of France and also the entire Congregation. It is the recognition of your whole and entire position in the mission of the Assumption side by side with the Religious”.

We count on your prayers. Be assured that we, on our part, will think of and pray for you so that the Assumption composed of religious and laity may radiate with a fraternal love that knows no boundaries.

Fraternally yours,

Michèle Drouadaine, Monique Dumont, Vincent and Bénédicte Fauvel, Paul and Corinne Filippi, Patrice and Marie-Pierre Girard, Monique Hue, Bernard and Martine Klaeyle, Yvon Leroux, Léon and Marie-Claire Nicollay, Gérard and Jeanne Palombieri, Jacques Tournecuillert, Jeff

and Marie-Ange Tremblay, and Catherine Voyant.
