

The novitiate community, gathered from far and wide once again, recently held their short and concise local chapter during which they proposed some goals and schedules for the year which consist of: classes, talks meetings and prayer. In addition there are other routine activities that make up daily life. Needing a breather, the community decided to take a three day venture up to New Hampshire and drive the famous Kancamagus Highway to enjoy the marvelous colors of this fall season. Needless to say, this greatly impressed those who have come from Asia and Africa.

By giving them the opportunity to help and contribute to the community, we can ensure that they are able to support themselves and their families. This is a win-win situation for everyone involved.
