

As a public reminder of the power of the risen Christ to bring hope into our lives, particularly during this terrible pandemic, we will ring our church bells this Easter Sunday at noon in solidarity with other Catholic Churches and those of other denominations around our diocese and the Commonwealth of Massachusetts. May our tolling bells be a call to offer a prayer of petition for God's healing grace to those who are suffering and their caregivers and a call to offer a prayer of thanksgiving for the gift of eternal life to all believers on this Easter Sunday. *(Since we have been ringing our Church bells regularly, the ringing of bells this Easter Sunday at noon will be dedicated for this intention.)*
