

Fr. Roland, at 93 years old, continues to minister (safely) to those around him as a member of the Assumptionist Center Community in Brighton. He recently did a "car blessing" for one of our employees and friends. Thank you, Fr. Roland, for your life of love and joyful service!

"Let us remember that we are, above all, subjects of Jesus Christ our king, citizens of the Church, our homeland, and that we owe Jesus Christ and his Church our fidelity, our service, our love and our life." - Venerable Emmanuel d'Alzon, founder of the Assumptionists, to his brother Assumptionists
