

"My soul longs for your salvation; I put my hope in your word. My eyes long to see your promise." *-Psalm 119*

We pray for the eternal rest of Fr. Donald Espinosa, A.A. who passed from this life earlier this afternoon. May he enter into the peace of the Risen Lord, to whom he gave his life.

In a recent interview, Fr. Donald shared his hopes for our congregation, "my dream and hope is to see a significant growth in the extended Assumptionist family...It is important for us to contribute, through the reality of partnership, to the Church and the world. That is who we are: religious and lay with Christ at the center. We are all sons and daughters of Emmanuel d'Alzon. Together we must continue to proclaim the Coming of the Kingdom!"
