

The Assumptionists have teamed up with Prions en Église (the French version of Living with Christ) to create an e-pilgrimage to the Shrine of Our Lady of Lourdes. From August 12 to 16, it's Lourdes that comes to you!

Each day of the pilgrimage, discover the wonders of the shrine: the grotto, the spring, the candlelit procession; listen to the story of the apparitions, learn songs, and join the pilgrims on site, live, every day at 9:30am (EDT); 3:30pm (CEST) for the prayer of the rosary. Each day you will receive resources in your inbox to guide you in your virtual pilgrimage.

Attendance is completely free!
