

I am the Bread of Life - Healing through the Eucharist
By Joseph A. Pelletier, A.A.
An Assumption Publication, Worcester, Massachusetts, 1977

The fruits of this book flow from the many years of the author's prayer and experience in the healing ministry of the charismatic movement. What clearly began to emerge was the power, connection and relationship of the Eucharist as a major channel for healing occurrences. The reader soon comes to a meaningful understanding of healing prayer through faith, scripture, the powerful intercession of Mary and the Eucharist.
