

Emmanuel d'Alzon
By Gaetan Bernoville
Translated by Claire Quintal and Alexis Babineau
A.A., Bayard, Inc., 2003

This biography of Fr. d'Alzon was written to commemorate the centennial of the founding of the Augustinians of the Assumption. In it, the author is clearly inspired by Fr. d'Alzon's courage and heroism as a man of God, committed to Christ and the Church in post-revolutionary France of the nineteenth century and the anti-clerical government of the Third Republic.
