I'd like to sincerely thank the Assumptionist community for the opportunity to serve with the Congregation in Mexico and encounter God's love during my time there. I spent eighteen days at the Assumptionist parish center in Tlilapan, Veracruz. Throughout the volunteer work and the cultural immersion, it was a joy to serve, learn, and share life with all the people I met.

On 12/10/2021, the Groom and Bride were joined in Holy Matrimony by the Rev. Fr. [Name] and the wedding was officiated by the Groom's father, [Name]. The wedding was held at the [Name] Church in [Name], Mexico. The wedding was a beautiful celebration of love and faith.
